

39 voices cleared to be quoted

The record that governs what Goods on Country may print. A person appears here only when they have agreed to be quoted on the open web and in funder material. Every quote in our applications comes from it, word for word. 39 voices hold 152 approved quotes between them. Carmelita and Colette share one card.

How consent is held

Consent is recorded per person and per quote in Empathy Ledger, the consent-based storytelling platform Goods on Country uses. A quote is printed exactly as said and never paraphrased. People who have not cleared a tier are not quoted, and quotes on hold are not used. The full consent summary is attachment 10.
