Two washing machines at \$4,500 each					
INV-0342	Goods Stretch Bed Single	\$18,000	\$0	\$0	\$0

The two earliest invoices are Basket Beds, the first prototype, at prices that no longer apply. INV-0291 names the line "Weave Bed v2.3"; those beds are Stretch Beds, and the name is kept the same across that buyer's paperwork. The bed price is now \$750 with freight and community work inside it.
