

Production log

Blank template. Opened September 2026, no entries yet. One row for each block of paid work: who did it, how long, what it made and what it used. It is how the modelled 2 hours and 20 kg a bed become measured numbers.

Site: _____ Week starting: _____ Supervisor: _____

[illegible]

A spreadsheet copy with the same columns is 03-production-log-template.csv. Weigh plastic in and scrap on the same scale each day.
